- Sourcing of props and vases
- On the day delivery and set up

Myself and my fabulous team of florist have been delighting brides with our gorgeous flowers for over 25 years.

Having gathered a wealth of knowledge and experience along the way, we always keep an eye on current trends and styling.

Our reputation for excellence and customer service is well noted by the feedback we receive.

Our bridal quotations are tailored to your own individual budget. We realise that every bride is unique and whether you have an idea or theme in mind or you need our guidance we can take the pressure away from you and guide you in the right direction to ensure that the day is a wonderful memorable occasion.
